Artwork Requirements

NOTE: LAYOUT TEMPLATES WILL BE PROVIDED

All artwork supplied must meet the following specifications:

- Layout to be set up as per template supplied
- Images in layout must be a minimum of 300dpi
- CMYK colour (no RGB or spot colours)
- Ensure all fonts are outlined and embed all images
- Do NOT apply trim marks or bleed
- Supply file as a Press Quality Adobe Acrobat PDF

Your file is printed as supplied to us unless otherwise instructed. We do not accept responsibility for reproduction problems which result from incorrectly supplied material.

No advertising of other products to be included on artwork.

Email all artwork to: info@webstercare.com.au

Artwork to be produced by Webstercare:

Webstercare can provide design assistance. A fee of \$500 +gst will be charged on approval of artwork. This includes a maximum of 3 alterations to the artwork. Subsequent changes will be charged accordingly.

- Wording for your artwork to be supplied in Word format or emailed as text
- Any images or logos must be quality files as specified under *Artwork Requirements*
- If you have a suggested layout, email a rough copy as a PDF, word document or scanned sketch

Email files to: info@webstercare.com.au
