## APP WRAP *Our Best Year Yet!*

1

It was great to see so many of you at APP 21, which was a huge success. There were 5,200 visitors and everybody was brimming with enthusiasm to see what's new and to mix with their colleagues again. Don't be disappointed if you missed the event. In this issue of Quick 6, we're featuring our 'smallest' crowd favourites with the 'biggest' impact.

The question we were asked most was how to attract more pharmacy customers to your **Webster-pak®** business. So our July edition of Quick 6 will have a very special offer for you!

## MedsPro Packing Robot *Pocket Rocket of Automation*

4

Launch your packing business into the new financial year with astronomical results! This little powerhouse is a superior performer and can process a day's manual packing within the hour.\* With as little as a 3x3m footprint, the MedsPro Packing Robot is the perfect fit for a dynamic pharmacy looking for bigger returns within tighter parameters. The MedsPro Packing Robot will: dispense, print, stock, count, **multi pack 2-4 packs at a time\*** and check with safeguarded accuracy.

➤ **Launch your business before 30 June.**

## MMS® *Treasure Trove of Features*

5

**Webstercare's Medication Management Software® (MMS)** provides the most outstanding **FREE** features to support your growing business.

**Webstercare Reports** provide invaluable analytics for your facilities which help them stay compliant in polypharmacy, psychotropic drug usage and antimicrobial stewardship.

The **Brand Override** feature identifies brands of medication prescribed to customers, changes the brand if it's out of stock or you change suppliers, then changes each Medication Profile accordingly.

➤ **Scan the QR code and discover more FREE features in MMS.**

## PocketProfile™ Medicines List *Vital Value Add*

6

One of the most powerful medication management tools – the **PocketProfile** costs so little, but offers so much value for your customers! Easily printed from your **MMS** Software, the wallet-sized card lists the most up-to-date medication profile, pharmacy and doctor's details, colour pill images and known allergies. This handy profile is invaluable for GP and specialist visits, and critical during times of emergency. Print one for customers on multiple medications. Touted as "one of the best relationship builders ever!", it encourages regular visits to your pharmacy.

➤ **Activate in MMS and watch your customer base thrive! Scan the QR code to learn more.**
